E.B. Horsman & Son Announces New Supplier Partner: Pepperl+Fuchs

Surrey, British Columbia – [E.B. Horsman & Son](#) (EBH), the largest independently owned and operated electrical supplier in Western Canada, is proud to announce the addition of [Pepperl+Fuchs](#) as a trusted process instrumentation supplier partner.

Pepperl+Fuchs is a leading provider of explosion protection components. Their rugged visualization products, intrinsic safety barriers, and Bebcos® EPS purge and pressurization solutions continue to set new standards for safety and innovation. Pepperl+Fuchs offers application-oriented system solutions, customer-specific control cabinets, and enclosures.

On October 1, 2018, E.B. Horsman & Son announced the acquisition of Alberta-based company [Measurement & Controls Ltd](#) (MCL). MCL specializes in the distribution of instrumentation, specialty valves and electrical solutions to some of the world’s largest companies in the process, industrial, manufacturing and construction industries. In acquiring MCL, EBH is now the exclusive distributor of Pepperl+Fuchs process instrumentation in Western Canada.

“We look forward to working with E.B. Horsman & Son to bring our process solutions to new markets across Canada,” said Rick Ogradzinski, Key Account Manager for Pepperl+Fuchs. “Our solutions set the standard for safety and innovation and we are eager to introduce our product portfolio to new customers.”

“MCL & Pepperl+Fuchs offer an exciting opportunity for EBH: reinforcing our commitment to the Process Instrumentation and Automation markets,” said Tim Horsman, President and CEO of E.B. Horsman & Son. “We take pride in being ‘The Electrical Distributor of Choice’ and strive to maintain that by constantly improving our customer service and product offerings for our customers.”

In this transitional and dynamic world, E. B. Horsman & Son is poised and positioned to meet, satisfy, resolve and deliver all of your electrical, industrial automation and instrumentation needs. We are “The Electrical Distributor of Choice!”.

The Electrical Distributor of Choice!

About E.B. Horsman & Son

Established in 1900, [E.B. Horsman & Son](http://www.ebhorsman.com) is the largest independently owned and operated electrical supplier in Western Canada with locations across British Columbia, Alberta and Saskatchewan. Designated as one of [Canada's Best Managed Companies](#), we continuously strive to improve ourselves and our capabilities to meet the ever-changing needs of the electrical, process instrumentation, industrial automation, lighting, and data communications markets. We are committed to exceeding the needs and expectations of our valued customers by providing the best people, best products, and best service in the electrical industry. To learn more, please visit www.ebhorsman.com.

About Pepperl+Fuchs

As a pioneer in explosion protection, Pepperl+Fuchs combines state-of-the-art technologies and comprehensive services to optimize its customers' processes. The complexity of modern applications requires systems and components that can be used directly in the process area. Pepperl+Fuchs' products for hazardous locations draw on decades of expertise to provide reliable, high-quality solutions. To learn more, visit www.pepperl-fuchs.com.
