*The Electrical Distributor of Choice!*

## Press Release

July 30, 2018

### New Full Line Location in Saskatoon

Saskatoon, Saskatchewan – We are excited to announce that [E.B. Horsman & Son](#) - Intec Controls has opened a Full Line Electrical Supply location in Saskatoon.

We have moved from Intec Controls’ old location to a new building located on [134-815 66th Street in Saskatoon, Saskatchewan](#). The 8,300 square foot building now carries over 5,000 SKUs of process instrumentation, automation, industrial controls, sensors, data communications, lighting, power distribution, wire and general electrical supplies.

*New E.B. Horsman & Son Branch- 815 66th Street, Saskatoon*

The new bigger location has a service counter to provide local customer service, a technical support staff plus shipping methods to meet any job requirements. [E.B. Horsman & Son](#) guarantees a broad range of inventory that is supported by our Central Distribution Warehouse. By holding inventory in all twenty-one locations across Western Canada and freely transferring products between branches, customers receive the products they need, when they need them.

In this transitional and dynamic world, E. B. Horsman & Son is poised and positioned to meet, satisfy, resolve and deliver all of your electrical, industrial automation and communications needs. We are “The Electrical Distributor of Choice”.
